

49 CFR Part 23 Sample Program

Presented to: FAA ANM Regional Airport Conference

By: Christine Whitehead and Jackie Baker

Date: April 18, 2007

Federal Aviation
Administration

- **The Department of Transportation has prepared this sample program to help sponsors comply with 49 CFR Part 23, the DOT Airport Concession Disadvantaged Business Enterprise (ACDBE) rule.**

- **This sample program supersedes guidance issued by the Office of Civil Rights under the former Part 23**
- **Use of the sample program is not required**
- **Sponsors may customize the sample program to meet their needs.**
- **In places, the sample program refers to Part 23 and Part 26.**

- **Primary airports must submit a revised ACDBE program and revised overall goal on the following schedule:**
- **Large/Med Hubs – 1/01/06 – 10/01/08**
- **Small Hubs – 10/01/06 – 10/01/09**
- **Non-Hub Primary – 10/01/07 – 10/01/10**

- **Your airport may need to submit two (2) overall goal calculations if:**
- **Your gross receipts for concessions other than car rental exceed \$200,000, or**
- **Your gross receipts for car rental concessions exceed \$200,000.**

- **Generally, participation under Part 23 is counted in the same way as Part 26, with two exceptions:**
- **Counting of participation by car rental companies includes the full value of vehicles purchased through ACDBE car dealers.**
- **Purchases of goods through ACDBE regular dealers are counted at 100% of their value, as distinct from 60% under Part 26.**
